TO BEAT THE CHILL

Pixie Mate

Gentler than coffee but with none of the addiction, Pixie Mate revitalizes your mornings with great tasting organic yerba mate. Believed to burn calories and boost metabolism, mate leaves are full of antioxidants to help the body fight its daily battles. Mate teas are available in handy bags (\$5.50), loose mate (\$9) or concentrate (\$4.50) so you can wake up ready to face a brand new day.
